10.0 DISCLAIMER & LIMITATION OF LIABILITY

Supplier Responsibility: This release note is issued without prejudice to the contractual obligations of the supplier and does not relieve the supplier/manufacturer from the responsibilities and obligations set forth in the Purchase Order and other approved documents.

Basis of Release: This release note reflects the inspection status and release decision based on the items, documents and information made available to IQE during the referenced inspection(s). It does not relieve the manufacturer/supplier of its contractual, statutory or regulatory responsibilities.

Limitation of Liability: The existing IQE-approved liability wording in the current IQE-TP-04 format should be retained here without alteration unless formally reviewed and approved by IQE management/legal counsel.
